All sessions in orange are Group Classes - they are accessible to anyone with Group Classes included in their membership.

Please ensure you check there is space and book into each group class or Shared PT session on PT Minder if you plan to attend a different session to your regular bookings.

If the only sessions you can make are fully booked simply join the waiting list and in most cases we can add you in to the session.

If you do not book your spot and the session is fully booked you will not be able to participate in the session.

How to access and book in to sessions on PT Minder:

As a Peachi member you have an account with PT Minder, where you can manage your class bookings. You can access your account at peachi.ptminder.com or using the PT Minder app (look for the blue and white logo in the App Store or Play Store).

To log in use your email address and the default password "iloveburpees".
